

YLA AMERICAS ACCELERATOR

Following IREX and Village Capital's previous series of online trainings, we have launched the **YLA Americas Accelerator**, a program where twelve selected alumni will be part of interactive workshops tailored to help their companies identify early milestones and prepare them for their next round of fundraising.

BENEFITS THEY'LL RECEIVE

Join Village Capital's network of alumni.

Receive mentorship from potential strategic partners, customers, and other founders.

Receive 1:1 coaching with a financial analyst and other members of the Village Capital team.

Participate in meetings with representatives from financial institutions, corporates, fintechs, and investors.

JOIN US TO BE A MENTOR!

As a mentor, you will have the opportunity to have a 1:1 conversation with 1 or more startups participating to learn about their business and share your expertise. Participating with us means:

Meeting and learning about some of the most promising businesses created by YLA alumni.

Receiving privileged information on the startup led by all of the participating entrepreneurs.

Around a 2 hour commitment during one of the mentoring sessions scheduled for each workshop.

Sharing your expertise with startups that are looking to improve and scale their business and their impact.
