WORK EXPERIENCE

RECOFTC

Bangkok, Thailand

Social Impact Specialist to USAID Partnership for Green Investment (PAGI)

December 2024 – Present

- Lead the development of PAGI's strategic approach regarding social impact and community engagement in support of meeting overall activity goals and objectives
- Support the design and development of tools for the screening of investment projects – such as low emission, sustainable supply chains, regenerative agriculture and nature-positive best practices, land use monitoring and benefit sharing – with respect to social impact metrics and community engagement
- Identify opportunities for enhancing social impacts and engagement of Indigenous Peoples groups and local communities in PAGI-supported investments and supply chain activities

ChangeFusion Institute

Bangkok, Thailand

Assistant Business Development Manager (Social Impact)

March 2021 – November 2024

- Successfully facilitated agreements for three social businesses to secure over 15 million baht in funding through Shark Tank Thailand.
- Responsible for the social business incubation and acceleration programs in collaboration with Banpu PLC, leading to 78% social business survival and 48% viable business models from a portfolio of over 110 businesses.
- Consulted on Impact Measurement and Management (IMM), business plans, and product development.
- Analyzed and developed reports for Monitoring, Evaluation, and Learning (MEL).
- Assisted communities across Thailand in their transition to sustainable community entrepreneurship, resulting in a 15% increase in sustainable community entrepreneurship.
- Conducted research on the social entrepreneurship landscape within Thailand.

Social Impact Inc.

Bangkok (Remote), Thailand

Social Impact consultant (Part-time)

December 2021 – May 2022

- Supported USAID RDMA's Supply Chain Resiliency Deep Dive by providing communication and interpretation for key informant interviews.
